

INTERMITTENT CATHETER BRIDGE PROGRAMME

If your Patient is eligible for the NDIS (or other complete funding schemes eg. ICare, NISQ, Workcover and TAC), but is waiting for their funds, we will provide them with intermittent urinary catheters free of charge (on a monthly basis for up to 4 months).

Privacy Statement

The protection of the personal data of our customers is very important to us and we take it very seriously. You and your Patient's personal data is collected only with your consent and is subject to data protection and will only be collected and stored for appropriate reasons. Under no circumstances will we pass on your personal data to third parties outside of the B. Braun group or use or store them for any other purposes. All our employee and service providers handling personal data have been trained on privacy requirements and are obliged to comply with the data protection regulations. Your information is being collected by B. Braun and entered into a database for the purpose of communicating offers and specials related to B. Braun products, services and technological advancements, or to verify or generate customer lists.
